**Aloha AC Announces Support of St. Jude 2014 Give Thanks Walk as HOPE Sponsor  
Donated Truck Wrap Marketing Displays St. Jude Logo, Walk Information**

Davie, FL (April 8, 2014) – Aloha Air Conditioning announces its support of the 2014 St. Jude Give Thanks Walk as a HOPE Sponsor. As part of their endorsement, they donated a truck wrap advertisement that displays the St. Jude logo as well as the website and date of the walk.

“We are proud to not only offer our support of the Give Thanks Walk, but to show our appreciation for the work that St. Jude does for children,” said Jim Barry, owner of Aloha Air Conditioning. “The donated truck wrap marketing and our involvement as a HOPE sponsor is our way to Give Thanks to St. Jude.”

The St. Jude Give Thanks Walk will take place on November 22, 2014 at John Prince Park in Lake Worth, FL. Registration is free and participants can form teams to raise money online at [www.givethankswalk.org](http://www.givethankswalk.org). In 2013, the Palm Beach County Give Thanks Walk had more than 550 participants and raised more than \$75,000 for the kids at St. Jude.

Unlike other hospitals, St. Jude relies on funding from the public to help support its life saving mission of finding cures to save children who are battling cancer and other deadly diseases. Due to the generous support St. Jude receives, families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live. The St. Jude Give Thanks Walk serves as the official kickoff event for the St. Jude Thanks and Giving® campaign, which unites retail and corporate partners and celebrities during the holidays.

[Aloha Air Conditioning](#) has been providing professional air conditioning services in South Florida since 1982. Our team of highly skilled HVAC technicians is available to perform assessments, installations, and maintenance to a number of top name brands of residential and commercial air conditioning and purification systems. The dedicated staff works hard to insure customer satisfaction by providing the highest level of service, one customer at a time.

Aloha strives to make energy saving techniques highly desirable for all customers. Available at all locations, our Energy Savings Agreement offers priority service and scheduled maintenance with a 10% discount on any repairs during agreement period. Aloha AC will not charge additional fees for service calls on Saturday. This type of weekend service is just one way that Aloha stands apart from the competition.
